Northern California Olympians Announce 2013-14 Grant Program

*Travel and Training Grants for Future Olympians and Paralympians
Applications Now Due May 1, 2013*

San Francisco, CA.....The Northern California Olympians (NCO), a chapter of the United States Olympic Association (USOA), announced today the grant program to provide direct financial assistance to athletes with successful competitive records who have the potential to qualify for future Olympic or Paralympic Teams.

In 2013, assistance for athletes with the potential to be placed on the 2014 Olympic or Paralympic Teams will be given the highest priority. Requests for assistance will be considered for coaching, specialized training, equipment, and travel.

Jim Schmitz, chair of the NCO Grant Program and 1980, 88, 92 Olympian (weightlifting), explains, "This is the seventh time the NCO has awarded grants – and it is always exciting for Olympians from past games to help provide funding for Olympians and Paralympians from Northern California - to be able to help future Olympians and Paralympians from our hometowns."

Information about the grant program will be sent via email to all Olympic Sports National Governing Bodies (NGB) and to members of the Northern California Olympians. This year, the Northern California Olympians will award grants of \$500- \$1000 each. The deadline for applications is May 1, 2013. Applications will be reviewed by the Northern California Olympians Board of Directors and the grants will be announced on July 1, 2013. Grant applications are available at www.ncolympians.org.

Funds for the NCO Travel and Training Grant Program come from the proceeds of the *Northern California Olympians Welcome Home Olympians Dinner*, held every four

years, just after the Olympic and Paralympic Games and from contributions from Olympians from past teams and community members.
