### **CERTIFICATES OF INSURANCE**

All certificates are free with the exception of those that are requested less than one week prior to your event. For those certificates that are requested less than five (5) business days prior to your event the cost will be \$15.00 per certificate. For those that are requested less than thirty six (36) hours prior to your event, the cost will be \$25.00 per certificate. Our insurance company will issue all certificates directly by them, however all sanction requests must first be processed by the Pacific Association. If you have private entities needing certificates, please allow extra time for processing.

### **MEDICAL SUPERVISION**

As part of the approval process for obtaining a sanction the Pacific Association requires you to have at least an EMT1 certified person on site at your event. We need to know who this person is and how to contact this person. You need to include this information on the sanction form under the Medical area.
