Junior Olympic Program ---- Rule 305

- General
 1. (f) With approval of the Association, athletes who miss their Association Championships because of extraordinary circumstances may be advanced to

the Regional meet so long as such advancement does not displace an athlete who competed in the Association meet and does not exceed the Association's allocation to the Regional meet

- Track and Field Qualifying Procedures
 2. (a) An athlete can miss the Association Championship but not the Regional Championship, because of participation in a USATF cultural exchange trip. These exceptions must be worked out with the athlete's Regional coordinator before the meet takes place.
 - (b) Athletes who compete in the Junior National Championships or World Youth Championships may be entered in the National Junior Olympic meet without having to compete in the Association or Regional meet provided that they meet the Youth Athletics age limits. Acquisition of the waiver and completion of the entry to the National meet must be made prior to the Regional meet via the Regional coordinator. David Lawrence dlaw222@yahoo.com

Results Posting

- Results will be posted at a designated location during the meet as soon after the competition as possible. Posted results are for the benefit of everyone so please do not remove them. They will only be posted once. If they are removed they will not be re-posted again and athletes will have to wait to read results on the website at a later date
- Check the Pacific Association website (www.pausatf.org) for final results a few days after the meet is over

Club Volunteer Roles

Bylaw 5.D – Clubs entering more than five athletes shall, when requested by meet management, help by providing volunteers to work at the meet. The number of volunteers should be one for each ten athletes entered by that club up to a maximum of three (3) persons.

Each club is requested to select a role (or more than one) that will best fit their volunteer availability. Some roles are behind the scenes and don't require volunteers during the course of the meet and some require your help during the meet. All hours worked by your volunteers are totaled up and then proceeds from the registration fees (after meet expenses are removed) are divided according to the number of volunteer hours your club worked. These proceeds are then given to the clubs to be used to help defray the cost of bringing your youth athletes to the JO Nationals in Wichita, Kansas the last week of July 2011. This was already given back through free entry into the Top 8 meet. However, after all expenses are paid, if there are funds still available, those will be disbursed to those teams who volunteered at our championship meets.

This meet cannot happen without your support! Therefore, to sign you or your club up for a volunteer role, please contact Joanne Slaton-Camargo pa.youthchair@yahoo.com.

Athlete Check-In

- **Check-in** – Athletes can be checked in all day long. You can check your athlete into their events first things in the morning for all of their events. We will no longer do first, second or final calls. Athletes should then report to the clerking area and remain there. After the event is closed no changes will be made for any running events. PERIOD! Field event athletes must check in at their particular field event all day long as well.
 - All four members of a relay team must check in together at the Clerk of the Course and all four members tops must match
 - If an athlete is competing in a field event and their running event is coming up, the athlete must check out of the field event with the head field event official and then check in at the running event. Time permitting, they should be allowed to return to their field event. If time is not permitting, as soon as they complete the running event they need to check back into the field event. If a coach or parent needs to assist the athlete in this process, we should allow them do so. In such cases as high jump or pole vault the bar will continue to go up and the athlete must re-enter the event at whatever height the bar is set
 - Athletes are not allowed to use cell phones, head sets or any other type of electronic devices while in the Clerking area, field of competition or on the infield
 - **NOTE**: if you have properly added an event late and your name does not appear on the check in sheet, athlete must take bib number to Maria Castillo at the finish line to have the event signed off; same day registration will need Maria's sign-off as well
- **Implements** – Field event implements except javelins and pole vault poles may be supplied by meet management. Personal implements must be passed by our Weights & Measures official.
- **Spike Length** – Maximum 3/16" pyramid or compression on all synthetic rubber surfaces. Athletes who do not have the proper spikes will be asked to obtain the correct spikes or they will not be allowed to compete (racing flats can always be substituted for racing spikes)
- **Bib Numbers & Hip Numbers** – Bib numbers will be distributed at packet pick-up. All athletes will have a bib number assigned to them in order to compete. Athletes must only wear their own number.
 - Bib numbers must be worn on the front of the jersey. An exception is made for high jumpers and pole vaulters who have the option to wear their bib number on their back if they prefer
 - Lost or forgotten bib numbers will result in a \$5.00 replacement fee (each time it is replaced)

- For all running and race walking events, athletes will be assigned a hip number when they check in with the Clerk of the Course for final seeding
 - Hip numbers must be worn on the correct hip (hip facing infield while competing – not the butt or the front of the shorts). Shirts must be tucked in so hip numbers are visible by camera at finish line
 - In some of the longer distance races hip numbers may also be placed on the front of the shirt to assist with lap counting
- **Starting Heights** - The starting height for the high jump and the pole vault will be per USATF rule 242.5(k). Incremental increases will be 2” in the high jump and 6” in the pole vault until there is a winner. The winner may then determine the next height
