SUBJECT: Field Event Times for PAC Meet

It has been brought to our attention that there is only a starting time for the field events and not specific start times for each event separately. With that being said, not announcing the 1st, 2nd and final call for field events will create a problem.

Therefore, we will do 1st, 2nd and final calls for FIELD EVENTS ONLY. Running events will remain as stated in the meet information with no calls for those events.

Do not hesitate to contact us if you have questions regarding this or anything else.
