

PACIFIC ASSOCIATION OFFICIALS COMMITTEE REPORT
BOARD OF ATHLETICS MEETING – May 15, 2012

The Annual Meeting of the Pacific Association Officials' Committee has been tentatively scheduled for August 26, 2012 at UC Davis, at 10:00 AM at the meeting room on the West side of the football stadium.

While the collegiate track and field competitions are winding down, there are still upcoming high school and youth events throughout the Pacific Association. All officials are encouraged to review the Officials Calendar at the PA website to locate those events where they could lend a hand.

A reminder that the Pacific Association Open and Masters Championships will be held on May 27, 2012 at the College of San Mateo. The Pacific Association is also hosting the Golden West Competition at Folsom High School on June 9, 2012. Any officials that are available to work these events are encouraged to get in touch with Sonny Maynard at sonny22@att.net for the PA Championships, and John Mansoor, pausatf@aol.com, for the Golden West. Any help will be much appreciated.

Respectfully submitted,

John Murray, Chair
Pacific Association Officials' Committee
