

EPPIE'S GREAT RACE®

BICYCLE DISMOUNT MAP & DETAILS

- **Bicycles must be picked up by noon on the day of the race** or they will be transported to the county corp yard and stored there until the Monday following the race.
- **A fee of \$50** will be charged to the bike owner for this service.
- **There may be a period of 20 to 30 minutes between 9:30 a.m. and 10:30 a.m.** when the Sacramento Bike Hikers volunteer crew is too busy retrieving bikes to allow pickup. **Please be patient** with these loyal volunteers! They will serve you as quickly as possible.
- **Do not ride your bike back toward River Bend Park on the bike trail race course.** Doing so will risk injury to yourself and racers on the course. **You will be disqualified for doing this.**
- **Bikes may not be taken across the bridge to the north side** of the river until course officials notify you that traffic has diminished to the point where it is safe (generally after nearly all the participants are off the bridge).
- **For Ironperson crews:**
 - There is an ironperson crew area near the bicycle dismount.
 - Ironperson crew members may wait here or at the far end of the bridge near the boat area.
 - No ironperson crew members will be allowed on the bridge during the race.
