Take Downtown exit to Davis at Richards Blvd. All clinics will be held in Hickey Hall that is just south of the track and parking garage. The northeast corner of the track is on the south side of Russell and the west side of A. The garage is located just north of North Quad and west of A on Howard. Fifth turns into Russell as you go west from downtown. Alternatively from the Bay Area, if you come east on Russell from CA 113 turn left on Howard which is the first signal after A. If you come from the west then turn right at Howard. College Park is the street on the north side of the intersection. Parking is free in garage on Saturday in none restricted areas.
