## CLUB OFFICIALS REQUIREMENTS - 2015

All Pacific Association LDR Clubs:

PA/USATF clubs are required to have a minimum number of certified USATF officials (with an LDR/XC specialty) on their club roster to score team points on the PA Road and Cross Country Grand Prix circuits. This requirement applies if your club had 25 or more "unique" club members compete on the Road and Cross Country Grand Prix circuits (combined) in 2014. *Applicable clubs must be in compliance with this requirement for officials by March 1, 2015 or they will not be scored until they do so.* Refer to the list below to see if this requirement applies to your club and your current officials status.

**IMPORTANT:** Individuals who want to become a USATF LDR Official may attend the following **Introduction to Long Distance Running and Cross Country Officiating Clinic:**
