

February 17, 2015

Hello PAUSATF Youth Committee Members:

Just sending this to you as a friendly reminder of our upcoming team coaches meeting 10am-2pm on Saturday, February 28, 2015 at James Logan High School. This meeting is specifically to discuss the 2014 cross country season and to vote for the upcoming 2015 season. So, if interested in hosting a cross country meet in 2015, please contact Charlotte Sneed at 925 628-0273 or sneedspeed230k@yahoo.com. She will add you to the 2015 cross country calendar. However, it will not be finalized until the day of our February 28 meeting. And, if you have anything else you want discussed at this meeting please let Charlotte know. We will add it to the agenda.

We are currently looking for a new Communications Chairperson on the youth board. This person must be responsible, reliable and most of all knowledgeable with web functions. If you know of anyone interested in the position, please contact the executive board communication chairperson, Cynci Calvin. ccrun@ncbb.net. She is in charge of the approval process for the individual who will become the communication chairperson for our youth committee. Therefore, she will need to talk with them and confirm they meet the qualifications for our youth communication chairperson position.

Yes, that time is here again. Every two years, in the odd years, we vote for our association board officers. Therefore, you should be aware of the upcoming vote. If interested in becoming a youth board member, please send an email to John Mansoor at pausatf@aol.com by the end of March. He will later send out a ballot to every registered youth club. Clubs are entitled to one vote per team. You may also nominate someone else for a position, as long as the person is aware of your nomination. The current positions are as follows:
