Fresno Women & ARC Men Lead Team Race After First Day:

CC RECORD BREAKER OLOWORA OF SOUTHWESTERN TAKES OPENING CCCAA TITLE RACE

National community college record breaker Aminat Olowora of Southwestern College ran away with the opening finals race of the California Community College Athletic Association track and field championships at College of San Mateo on Friday, running away with the women's 10,000 meter title in 35 minutes, 31.92 seconds. That was a new state meet record -- but shy of the all-time JC/CC mark of 33:43.00 that the freshman from Nigeria set last month at the Arnie Robinson Invitational in San Diego. The previous national record was 34:34.61 by Rose Tanui of Central Arizona Community College in 2008. The state meet record was 35:49.24 by Michelle Icban of Orange coast in 2003.

Jenica Dodge of American River finished second in 37:11.39, followed by Brianna Jacklin (37:13.24) of Riverside.

Diego Leon of Hartnell took the lead in the men's 10K with 500 meters to go, winning in 31:20.63 -- ahead of fast closing Ethan Walker (31:23.75) of College of the Canyons. Abdul Hamid of American River, who led for most of the first 9,500 meters of the race finished third (31:27.57) with valuable team points for the title-hopeful Beavers.

In Friday's field event finals for women, Jacklyn Chasteler of Saddleback won the hammer throw at 186 feet, 11 inches, improving her national lead in the event by over a foot, followed by Malissa Garcia (164-2) of Modesto and Hannah Peterson (162-11) of Saddleback. Kelsey Shaw of Siskiyou won the javelin throw at 151-8. She is the national leader this season at 166-4. Melody Harris (141-8) of Fresno City College was second and Julia Grimm (131-3) of Santa Rosa JC placed third. Moesha Davidson of Fresno City College took the long jump at 18-6 1/2, with Deajah Stevens (18-1 3/4) of Sequoias second and Kaniya Bawls on (17-8) of East Los Angeles third. The high jump winner was heptathlete Breanna Curry of Cerritos with a first jump clearance at 5-5 1/4. Mohogany Stitt of Merced cleared the same height on her third attempt and took the silver medal.

In the men's jumps, Dwayne Lee of San Joaquin Delta long jumped 23-10 3/4 to win by a half inch over David Booker of Fresno. Xavier Howell of American River equaled his co-state-leading high jump mark of 6-11 1/2 to win that event over Jonathan Moore (6-9 1/2) of Sequoias.

The hammer throw featured three of the top five throwers in the country. Daniel Roberts of Modesto got the win at 188-6, ahead of Mitch Dixon (185-0) of Saddleback and state leader James Hubbard of American River, who placed third (181-7). Elijah Marta of Siskiyou won the javelin throw at 214-5, just short of his state season-leading mark of 220-3. Daniel Hernandez of Golden West was the runner-up at 197-10.

Multi-event first day leaders:

After the first four events in the **women's heptathlon**, Jasmine Williams of Fullerton leads with 2,782 points, followed by open high jump winner Curry (2,636) and Katie Baxter (2,618) of De Anza.

Williams got off to a good start, winning the 100 meters hurdles in 15.14 for 823 points. She also had the best shot put, 34-6 1/4 (for 564 points). Baxter moved into contention in the day's final race, winning the 200 meters in 25.76 for 818 points. Curry won the hep high jump at 5-4 1/4 for 771 points, which proved to be a warm-up for her state title in that event later in the day. Competition in the final three events begin Saturday at 10 a.m. with the long jump.

In the **men's decathlon**, Chase Pacheco of Hartnell leads with 3,719 points after the first five events. His best mark was a 23-2 3/4 long jump for 833 points. Kendrick Murphy of Siskiyou is second (3,680), followed by Spencer Stockton of Butte at 3,537.
