12:40pm meeting called to order

- Reminder of the PRIDE Meet at San Francisco State, Saturday, 20 June
- Reminder of the national championships information with web links
- Announcement of Chabot summer all-comers
- Reminder that all Association committees will be holding elections this June-July, and everyone is encouraged to consider running for an office to contribute to our association's success. The Men's T&F Committee chair position is vacant as the former Chair Ralph Jones has left the area.

Proposed hosting the Open Champs mid-June (18-19 June) in 2016 as this would be the last weekend to qualify for the Olympic Trials. Shrock and Baer will look into hosting the Western Regionals as well for 2016.

Regarding the Open Champs schedule: It was thought the throws could start 30 minutes earlier, and move the 5000m immediately after the 5000RW in the morning to beat the heat and frequent winds if held at San Mateo.

Summers reiterated for emerging elite or elite athletes to use her as a resource if they have any questions.

1:15pm: Meeting adjourned
