(Note: For a performance to be recognized as a national record, the time shall be recorded by a fully automatic timing [FAT] system.)

Signature: _____
(Competitor or captain for a relay team) (Principal of the high school)

STATEMENT OF REFEREE. The competitive conditions were in compliance with NFHS rules. An anemometer, as prescribed by rules, was used. There was no tailwind exceeding 4.474 miles per hour (or 2 meters per second) at any time during the record performance for any race that is not run around the complete oval of the track, plus long and triple jumps. I officially endorse this application for a national record.

(Note: The referee should state any exceptions he/she desires to make to the foregoing statement. He/she should also describe the conditions of the track or field, the force and direction of the wind, slope of landing area, and any other matters which might in any way influence the results of the performance.)

Anemometer reading (actual MPH.): _____ or, _____ meters per second

Weather: _____

Track and field condition: _____

Referee: _____ Street Address _____

Signature: _____ Official Position: _____

Address: _____
(Street) (City) (State) (Zip)

SPORTSMANSHIP STATEMENT: The NFHS National Records Committee is pleased to recognize outstanding achievements by teams and individuals. Although it is impossible to determine intent when marks are established, the committee strongly encourages recognition of performances in the true spirit of interscholastic competition. Running up scores or embarrassing an opponent for the primary purpose of inclusion in the Record Book is not consistent with the ideals of good sportsmanship.
