### **Pacific Association Youth Committee:**

You are invited to attend the Spring 2016 Pacific Association Youth Committee Meeting to be held on Saturday February 20th, at 10:00 AM at Logan High School in Union City. All interested parties are encouraged to attend.

Lunch will be provided. If you plan to attend, please R.S.V.P to: [pa.YouthCommittee@gmail.com](mailto:pa.YouthCommittee@gmail.com) prior to February 12th to be guaranteed a meal. Please indicate if you have any dietary restrictions. We will do our best to accommodate your needs.

The primary focus of the meeting will be the scheduling and planning of the 2016 Pacific Association Youth Cross Country Season. Regular season Cross Country meet bids will be voted upon at this meeting. All Pacific Association youth clubs in good standing are eligible to bid to host a meet.

If there are dates with multiple clubs bidding to host a meet, a silent vote will be taken from all eligible Youth Committee voting members in attendance to determine which club will be awarded the meet on that date.

If your club is interested in hosting a meet, please send an e-mail to the Cross Country Chair, Cris Houston, at [pa.youthXC@gmail.com](mailto:pa.youthXC@gmail.com) no later than February 18, 2016. Please include: date requested, venue, proposed schedule and course map(if available). It will be beneficial to send a club representative to the meeting to present your plans to produce a high quality event. **Please note:** the last Grand Prix meet of the 2016 season will be on November 6, 2016.

All USATF National Staff, Board Members, Youth Committee members, registered agents, coaches on the Coaches Registry, youth club coaches and youth club administrators were required to complete the USOC SafeSport course no later than December 31, 2015 to maintain active status in those roles. Anyone required to be Livescan background checked is required to complete this training.

A SafeSport presentation will be provided by Dave Shrock at the February 20 meeting. The course will take approximately 90 minutes and will start immediately following lunch. Coaches in attendance will receive credit for completing the SafeSport training at the conclusion of the session. This training does not include tests or quizzes.

The training can also be completed online. The free online course covers fourteen lesson areas that include, but are not limited to, sexual, physical and emotional misconduct; local and overnight travel; bullying and harassment. The training videos in total are approximately 90 minutes long and include four quizzes and a final exam.
