"I'm really proud to represent our country and represent the middle distance runners in the 800m. There are so many people who are incredible in the event. I felt like I wanted to run for them, also. I'm looking forward to the 1500m in the coming years." **Kate Grace, 2016 Olympic finalist, 800 meters**

"The rise in performance by our athletes reflects the sharing of information between coaches at PAUSATF workshops."

"This year I threw my season's best throw at the Olympic Trials. You prepare all season to make sure your best throw of the season is at the most important track meet of the year. I know it was possible because of the help and support this grant gave to me." **Amy Haapanen, 2016 Olympic**
