Competition Information

- This meet will be subject to 2017 USATF Rules of Competition. Please review the 2017 USATF Rules at: <http://www.usatf.org/About/Competition-Rules.aspx>
 - **Athletes are not allowed to use cell phones, head sets or any other type of electronic devices while in the clerking area, field of competition or on the infield**
- **Implements may only be used for warm-up during an organized warm-up under the supervision of the event's head official. Athletes failing to follow this rule are subject to immediate disqualification.**
- **Check-in** – We will have a first, second and final call for all events during the track meet. Athletes must arrive at check-in no later than final call. After the event is closed no changes will be made for any running events. PERIOD! Field event athletes check in at the field event.
 - **All four members of a relay team must check in together** at the Clerk of the Course and all four members uniforms must match
 - If an athlete is competing in a field event and their running event has been called for check-in, the athlete **must check out of the field event; once released by the head field event official the athlete must check-in at the running event.**
 - The athlete will be allowed to return to their field event, but must report to the starting line prior to the start of their race.
 - As soon as the athlete completes the running event they need to check back into the field event.
 - If a coach or parent needs to assist a Group 1 athlete in this process, they will be allowed to do so.
 - When a Horizontal Jumps or Throws competitor is excused to participate in a running event, no time limit shall be imposed on the excused competitors, except that **the competitor must return before the conclusion of all other preliminary attempts if excused during the preliminaries, or before the conclusion of all other final attempts if excused during the finals.** Failure to return within the allocated period shall result in forfeiture of missed attempts.
 - For the vertical-jumps, the bar will be held for no more than **5 minutes** total time. If the competitor has failed to return in the allotted time, and all other remaining competitors have passed, failed or cleared the existing height, the crossbar shall be raised to the next height and the judge will automatically pass the excused competitor to the new height.
- **Implements** – Field event implements except javelins and pole vault poles may be supplied by meet management. Personal implements must be passed by our Weights & Measures official. All implements must be checked to be used in competition.
