

Although the Silicon Valley Turkey Trot Elite 5k will not be on the Road Grand Prix circuit for 2017, the event would like to support the local competitive running community and open up the race to any PA/USATF member athletes with an adjusted qualifying time standard, as well as a PA/USATF dedicated prize purse of AT LEAST \$2000. Please see below for details. Again, this event is not on the Road Grand Prix circuit, and is not a “points earning” event.
