There's a 50 meter "walker race" for those babies who are not quite full-fledged runners yet. Make sure you bring your walker for them to compete. There is no \$9.00 entry fee for these babies. They will receive participation ribbons after their completion of the race.

Welcome to the 15th Annual Subbantam Championships Track and Field Meet of the Pacific Association. For this year subbantams are athletes born 2011 and later. The Youth Committee team members, family and friends, are hosting this meet again. To make this work, your volunteer services are still much needed and greatly appreciated. We want another successful Subbantam Championships meet this year, so again, let's make it happen!!

Athletes must be capable of contesting their event efficiently. We cannot allow exceptionally young children to participate in the longer races and two of the field events. Therefore, adjustments have been made for most of the meet events. The adjustments are noted next to the particular event below. Please adhere to these when making your athlete entries.

We're offering the 800 meter dash and 1500 meter run for our 7 and 8 year olds only. The shot put will be 2K for this track meet. The mini jav is also being offered so again coaches, it is imperative that you train your sub bantams in these three field event areas if you are going to have them contest the events! We want no unnecessary accidents.

Please pre-register via www.coacho.com. There will be no same day registration. If you have any questions do not hesitate to contact Joanne Slaton-Camargo at slatoncamargo@gmail.com or call (510) 632-8004.

Your athlete can participate in up to three events. Awards for this track meet are medals 1-8 place **overall** for each age group for each event and ribbons 1-8 in each heat or flight. The outstanding male and female athlete of the day will be presented with a trophy at the end of the track meet. (athletes who are 8 years old chosen from the 7-8 year age group).

Entry fee is \$9 per athlete

**LISTED BELOW IS THE ORDER OF EVENTS FOR THIS TRACK MEET
GIRLS FIRST, THEN BOYS**

We ask that you **PLEASE** stay away from the front of the finish line. We are happy to answer any questions if you would please go around to the back of the tent. Do not cross in front of the camera. Look out for the barriers.

Coaches and parents, please allow your athletes to finish their race and run past the finish line. Do not pick them up at the line as you will be in the way of the camera and we cannot capture times for your athletes. Even though we do not try to attempt timing the 1-4 year olds, we still experience parents at the finish line. If you are in front of the camera we will miss the times of that entire heat. Therefore, please look out for all the athletes and let the last runner cross before you remove your athletes from the finish line.

FYI: when it comes to the awards, we try to give them the right places. However, sometimes they will want a color that matches their uniform or just their favorite color. So please do not get upset if they come back with the wrong place. We are here to make the athletes happy.

We need everyone's help to make this a fun and safe meet. Therefore, please step up and help us make this happen for our little ones. Volunteers are the heart of our event. We couldn't do it without volunteers.

The 10 minute break is needed in order to get the next event ready for the track and rest for our up and coming future athletes.
