v 7/2019

An example is to the left.

Athletes 1215, 1219, and 1492 served 60-second penalties in the Penalty Zone during the race.

Athlete 1218 finished the race but received three red cards after passing the Red Card Posting Board on the last lap. NOTE: The Chief Judge should indicate that a 60-second penalty must be added to the athlete's finish time; the "SUMMARY OF RACE WALK DISQUALIFICATIONS & TIME PENALTIES" form should be used to communicate this information to the Referee and Timing Officials.
