DRIVING TO AMERICAN RIVER COLLEGE

If you need directions or have any questions, feel free to contact us at (916) 484-8011 or check our website: www.arc.losrios.edu

PARKING INFORMATION

VISITOR PARKING

A visitor parking area with parking meters is located by the Administration Building on College Oak Drive. The cost is 25¢ per 15 minutes. No student parking is permitted in the visitors area.

SEMESTER/DAILY PARKING PERMITS

Parking by semester decal or daily parking permit is enforced 24 hours a day, 7 days a week, 365 days out of the year. The semester parking permit can be used at all campuses throughout the Los Rios Community College District. Vehicles not having a valid parking decal or daily parking permit properly displayed will be given a parking citation.

- **DAILY PARKING PERMITS** Daily permits are \$2 and are dispensed from machines located in student lots. In case of machine malfunction, you may:
 - 1) Purchase a permit from another machine.
 - 2) Contact a college police office for a one-day permit. Notes about machine malfunction will not be accepted.
- **SEMESTER PERMITS** A parking permit is \$40 per semester/\$25 for summer session. Permits are available at the Business Services Office located in the Administration Building. Remember that a parking permit does not guarantee a parking space. A parking permit entitles you to day or evening parking on campus where and when space is available, in student lots and/or the parking structure.

DISABLED PARKING

Automobiles of students with disabilities (and persons providing transportation services to students with disabilities) must display a semester or daily parking permit as do other students. However, special parking spaces for disabled students are provided in all student & staff parking lots. A placard issued by the Department of Motor Vehicles for persons with disabilities, or a distinguishing license plate for persons with disabilities, must be properly displayed on the vehicle. Temporary disability permits are available from the Health Center; if you are issued a temporary permit you must also display a valid semester or daily parking permit.

MOTORCYCLES

Motorcycle permits are \$25 per semester/\$15 for summer session. Motorcycles may only park in designated motorcycle areas in lots A, C & G. Motorcycles may not park in regular student/staff spaces.

TOW-AWAY

Vehicles parked illegally in red zones and vehicles parked so as to impede the flow of traffic on campus streets, lot entrances and driveways, in front of fire hydrants or in other areas where emergency vehicles might be hindered, may be subject to being towed away at owner's expense and inconvenience. Vehicles parked in staff or handicapped spaces are subject to tow-away

PARKING CITATIONS

A list of common violations is shown below, although other regulations are also enforced [CVC 21113]. For your protection, all vehicles should be locked and all valuables stored out of sight.
