

## **Adjustments for the 2020 Road Grand Prix**

29 March 2020

Please be advised of the following adjustments to the 2020 Pacific Association Road Grand Prix in response to the COVID-19 pandemic. The situation is very fluid, and if additional impacts are realized for races on our Grand Prix, updates and further adjustments may occur. The Pacific Association and LDR Committee remain committed to complying with governmental guidelines and orders, and the safety and health of our members and community is, as always, of paramount importance.

The LDR Committee will be reevaluating the situation continually, and any change to the below will be addressed after May 24th (the date of the next committee meeting).

### **Team Competition:**

- Team Scoring and Prize Money will remain at all events which are not cancelled, regardless of the total number of event cancellations.
- For year-end Grand Prix Team Standings, the lowest score will NOT be dropped in 2020; ALL events' scores will count toward the Teams' total scores for the Grand Prix.
- Grand Prix prize money for year end standings will be reduced by the appropriate factor, based on the final number of remaining events. If there are less than 6 remaining events, the Team Grand Prix will be cancelled for 2020, and as such there will be no Grand Prix prize money distributed for 2020 Standings at year-end.
- The relay comps earned in 2019 for 2020, will remain. The 2021 comps to be earned in 2020, will remain. If one or both relays cancel, the 2020 comp(s) earned in 2019 at such event(s) will defer to 2021, respectively.

### **Individual Competition:**

#### **Long Series:**

- Individual Scoring and Prize Money will remain at all events which are not cancelled, regardless of the total number of event cancellations.
- All remaining Long Series events will be Individually Scored. If the total number of remaining events is less than 3, the Long Series Standings will be cancelled for 2020.
- 2020 Comps that were earned from 2019 performances remain in place for the remaining Long Series races in 2020. In the case that there are less than 3 Long Series races remaining, 2020 Comps will follow as below.

#### **Short Series:**

- The remaining Short Series events will be scored for Individuals and Teams for prize money, but there will be no Short Series Individual Standings or end-of-year prize money.
- 2020 Comps that were earned from 2019 performances will defer to 2021. The remaining Short Grand Prix races are not obligated to honor any comps in 2020. If an athlete wants to be comped for the remaining 2020 Short Series race(s), they will not be comped for any 2021 Short Series Races.

If there are any questions, please contact:

Andy Crawford

LDR Committee Chair, and Road Grand Prix Coordinator
