

Collecting data including personal appearances, photos and slide shows by the committee chairs from the awardees. **Preparation for Award for 2021**

- 1) Youth: Deborah Sample & Cris Houston if the awardees cannot be on zoom, you can ask them to video, a slide show, if they like to say something. But it would be nice to show club/team pictures of the teams that went to the Jos and slide show of the PA Champs.
- 2) Robyn and Nick: You can also show any pictures you may have about Tokyo, race course and experience
- 3) Officials: Phil Leake: You can represent award recognition from the convention and from the August Zoom.
- 4) LDR- each chair will present awardee in Cross Country(XC Chair?) and other service awards
- 5) Leroy and Ryan: collect a photo from the Hall of Famers if they can't make the zoom.
