

Chair's Notes

INTEGRITY, PROFESSIONAL, COMMITTED, IMPARTIAL. These are all qualities of a good official. With this new season underway, I thought talking about this would be good food for thought. We, as track and field officials, are the backbone and recorders of athletic performances. I'm sure you have heard this before- No officials, No meet! If we are not there, yes meets will happen, BUT marks made by athletes may be sometimes suspect, meets will run slower, ultimately giving officials and our sport a bad name. Athletes, coaches and schools look to us, the USATF CERTIFIED OFFICIALS, to be there to provide efficient, fair, impartial competitions at all levels. But again, we cannot provide this outcome if we are not there. With the aftermath of COVID 19, family and job obligations and a sundry of other reasons, a lot of other reasons and a LARGE number of meets, we are continually short of officials. A lot of us have already made our schedules for the year. Therefore, I have a few requests:

- 1) Please see if you can squeeze in just an extra meet into your schedule. The added help at a local meet contributes a lot to the prestige of the sport.
- 2) In addition, if you commit to do a meet, please stay in communication with the meet Officials Coordinator and/or Meet Director. Remember, once you commit to a meet, they are dependent on your participation. Please stay in close communication with meet management. If you can't make the meet, please let them know as soon as possible so they can plan a solution.
- 3) If you know of anyone, a coach, parent, supporter, fan who you think might make a good official, please let them know how easy the certification and training process is now.

We, the athletes, coaches, school, parents, fans and your fellow officials look forward to working with you!

Phil Leake, Chair

RUN, JUMP, THROW, WALK

Our Officials Committee Secretary, Tori Busto, and several officials met at Vacaville HS on March 27th and provided a very special event promoting our sport to Northern California youth. As a result, this was a very special gathering. The first Pacific Association Youth RUN, JUMP, THROW, WALK event could only be held as a veritable SUCCESS. 65 young athletes, parents and coaches attended the event. Official had the rare opportunity to show the athletes the officiating side of each event. Special thanks to our special guest, Stephanie Brown-Trafton, who brought her Beijing Discus Gold medal, signed autographs and took pictures with all participants and their parents and coaches. A Big Thanks go to Nugget Markets for the refreshments and the local media for advertising support. Thanks also go to the officials who volunteered their time for this event. They are John Busto, Jim Manha, Robert Hooper, Charlotte Sneed, Cris Houston, Dave Shrock, Gavin Wilson, Chuck Beuttner, Chuck McGallian. We look forward to doing this event again in 2023!

If you have ANY questions or would like to help support this next year, please feel free to contact Tori at: toribusto@gmail.com or (707) 628-6308.

JUNIOR OLYMPICS IN SACRAMENTO

CALL FOR OFFICIALS

Yes, We will again host the 2022 USATF Hershey Junior Olympics at Sacramento State University Hornet Stadium on July 25-30. The start of this meet is the day after the World Athletics Championships close in Eugene. It is also the same time frame that the USATF Outdoor Masters Championships begin in Iowa. I encourage all Pacific Association Officials to fill out the application to work this meet. This is a great meet to add to your resume, especially if you are trying to upgrade your certification level and/or increase your chances for selection to the larger National and International championships. All officials who are from outside the Sacramento area will be staying at the newly built on campus dormitories within walking distance to the stadium. Meals at the dorm cafeteria as well as at the stadium will be furnished along with meet clothing and a stipend (currently under discussion). This meet is shaping up to be one of the best ever held in Sacramento. The Google form application can be found on the USATF.ORG OFFICIALS PAGE in the MEETS NEEDING OFFICIALS SECTION. You can also find this application on the PAUSATF website front page. **MEET APPLICATIONS CLOSE ON APRIL 30th.**

Officials Calendar

UPDATE: If you remember from the last Newsletter, this ad hoc group was tasked with developing a continuous monthly calendar that would include ALL meets, races and events and could be associated with the overall Pacific Association Calendar. **This has turned out to be a very successful venture.** BIG THANKS to Charles, Jim Manha, Cyni Calvin, John Lilygren and Bill Hawkes. This group transitioned to Google Calendar with all meets color coded denoting the type and level of the meet. Meets are being added by most all meet directors and are specifically making all of their meet needs known. Now, you can see all of the meets happening in the Pacific Association on any given day. All the official needs to do is to click his cursor on the meet and all meet information is listed for the official to discern.

Jim Manha is now working with meet directors in helping obtain and coordinate information from meet directors of their needs and to help disseminate their needs to the officiate for the 2022 T+F Season. You will continue getting regular emails soliciting your help for meets which are underserved. Ultimately, this process will help meet officials cover their needs as well as to help provide officiating opportunities and possibly mentoring opportunities to those needing further training.

HS Calendar: While the Officials Calendar lists the major HS invitationals and Championships, it is highly advised that interested officials consult www.Athletic.net for an up-to-date calendar of all HS meets near you. Due to the sheer number of HS meets within CIF in Northern California (over 600), they could not be included on the PA Officials calendar. I highly encourage you to volunteer your assistance at your local high school. This only helps further promote the sport we all love.

MENTORING

Your Mentoring Chair, Dennis Boyle, has convened several Zoom meetings with members of the Pacific Association Officials Committee and Experienced Officials who have accepted the task of being a Regional Resource Coordinator (RRC). Each RRC will function under the auspices of the Training, Certification and Mentoring Chairs. Their purpose is to help develop and implement a workable system for mentoring to be a local resource for assisting officials with training and working through the certification process. Since our Association is so large (and getting larger) in terms of square miles served and the sheer number of officials needing mentoring and willing to mentor (we have over 100 new officials and have a lot of experienced officials needing to learn and impart their knowledge of the sport), this committee will be constantly changing and adapting to work through what is actually do-able and what is not. As of today, on behalf of this committee, I am proud to announce the New Regional Resource Coordinators (shown below). If you are willing to help with the program as a supporter, be a mentor or just need some on-the-field training, please send your support, comments, etc. to Dennis at dkboyle@frontiernet.net.

REGIONAL RESOURCE COORDINATOR PROGRAM
NOW UNDERWAY IN THE PACIFIC ASSOCIATION USATF

April 4, 2022

The Pacific Association USATF announces that a newly devised system for improving communications throughout our Association has begun its work. Six geographical regions have been created within the Association which are now served with six Regional Resource Coordinators. The purpose of the coordinators is to provide up-to-date and accurate sources of information in regard to our three main programs within our Association, namely Certification, Training, and Mentoring. Each region is comprised of approximately 40 officials of all certification levels. Communication as well improving the feeling of inclusiveness throughout our Association should be markedly improved.

The newly appointed **Regional Resource Coordinators** are below with their pictures further below in sequential order:

REGIONAL RESOURCE COORDINATORS	COUNTIES FOR WHICH CRR's ARE RESPONSIBLE

CERTIFICATION

From Ajay Padgaonkar, Certification Chair

SOME OF YOU ARE STILL NOT 3- WAY COMPLIANT

Those affected have been contacted by Ajay and he is working with them to finish the certification process. Badges have been mailed out. If you have not gotten your badge or if there are omissions or errors, please send Ajay an email certification@pacific.usatf.org

Until late 2024 and early 2025, when we go through the recertification process again, you only need to stay "3-way" compliant and keep officiating to keep your certification current
- No rules reviews unless you are upgrading or the credential change requires it. 3-way compliant means the following:

1. USATF membership has not expired (For about 110 of you the membership expires in 10 days, please renew now!)
2. Safesport training has not expired (This applies to 12 of you, please correct ASAP, for 10 more of you, the training expires in 10 more days, please take urgent action)
3. NCSI background check has not expired (For 2 of you the background check expires in the next 10 days, if you have not already done so, please take urgent action)

These are all done through your USATF connect sport80 portal now, so remember your login and update your password if needed. If you run into any issues with the login or membership renewal, send an email to Jamero Rainey jamrainey21@gmail.com at the USATF national office. If you run into any issues with Safesport or NCSI background check, send an email to Lexie Ping (safesport@usatf.org) of the USATF national office. Copy me on such emails so that I can help, if needed.

The USATF national office sends reminders about a month before the expiry date. Please look for it and take immediate action. Also, you may want to make a note for your own self of the

expiration date so you don't let your credentials lapse. USATF will send out emails to those who have lapsed one or more of those 3 requirements or are about to.

Frequently asked information can be found on the USATF Officials page

<https://www.usatf.org/programs/officials/certification>

Keep your officiating record in the resume form on the pacific association website official's forms page: <https://www.pausatf.org/officials/formsinformation/>

It is the Excel spreadsheet under the link titled (attached for your convenience):

- **PAUSATF Officials' Meet Resume Form** (Excel sheet; downloadable; may fill in on a computer)

You will need this record for any upgrade applications, meets that require applications and in 3 years when we undergo the recertification.

Send me an email or call me at 408-890-1123 if you have any questions.

SAFESPORT

USATF in cooperation with the Center for Safesport Training will notify you of your pending Safesport training update Typically, you will have this notice sent to you within 30 days of expiration. PLEASE RENEW AND UPDATE your training ASAP in order to for your Officials Certification to remain 3 ways compliant. An example of this notice is as follows:

You are receiving this notice because your Refresher 1 SafeSport training is due to expire. You are due to renew this training by completing the Refresher 2 course ("Preventing Misconduct"). Please follow the below instructions to complete this training:

1. Log on to USATF Connect (*please note: if you have more than one account associated with your name, choose your personal account*).
2. Click "View" on your profile card under "Members".
3. Access the Center for SafeSport Training tab from the menu to the left.
4. Click the blue "Add Center for SafeSport Training" button in the upper right-hand corner of the page.
5. Find the Refresher 2 course ("Preventing Misconduct") from the list of available trainings. Add it to your account by clicking the blue "Add" button next to this training.
6. A new window will appear. Click "Add" for this training one last time.
7. A final window will appear. Click "Start Training" in the middle of this window to begin your course.

This training should take you 20-30 minutes to complete. Once you complete the training, your USATF Connect account will be updated to reflect your new training date. Please note that if you do not complete the required SafeSport training on or before the expiration date, you will not be considered USATF 3-Step SafeSport Compliant and you will no longer be eligible to serve in a role that requires SafeSport training (coach, official, volunteer, among others).

Thank you for helping to make USATF a safe environment in which our athletes can train and compete. Please direct any questions to safesport@usatf.org.

USA Track & Field is committed to creating a culture that clearly advocates, and provides for, a safe environment in which our athletes compete and train. We believe this is paramount to the success of all our programs. All athletes deserve to participate in sports that are free from bullying, hazing, sexual misconduct or any form of emotional or physical abuse.

If you have a concern regarding the health and safety of our athletes, please make a report. For concerns of child sexual abuse, sexual misconduct, non-consensual sexual conduct, sexual harassment, or intimate relationships involving an imbalance of power, all individuals should report concerns to the U.S. Center for SafeSport [online](#) or by phone at 720-531-0340. Please notify USATF that a report(s) was made. All reports of child abuse or sexual assault of a minor must also be reported to local authorities. Reports of abuse not involving a minor may also be reported to local authorities.

For concerns of physical or emotional misconduct, bullying, harassment, hazing, or any other violation of [USATF's SafeSport Handbook](#), all individuals should report concerns to USATF [online](#) or by phone at 317-713-4688. Please note, neither criminal nor civil statutes of limitations apply to reporting a SafeSport complaint.

Code of Ethics And Performance Guidelines

The USATF National Officials Committee publishes the [Code of Ethics and Performance Guidelines](#) for officials. Item number 11 of the Code of Ethics:

Conduct an honest self-evaluation after each competition, to identify errors made and areas for improvement; and be receptive to suggestions for conducting events in the best possible manner in the future.

The outdoor season is a perfect time to start using this improvement method. Take a few minutes and review what you could have done better. Everyone benefits.

Hardcopy version of the USATF Rule Book for 2022 now available for purchase

USATF Pacific Certification <certification@pacific.usatf.org>

Fellow Pacific Association Officials,

The hardcopy USATF rule book for 2022 is now available for purchase on the USATF official's store: The book will have a 50% off code for Certified Officials to use at checkout (\$10 instead of \$20 to everyone else). This code is **Rules22**.

<https://team-usatf-store.myshopify.com/collections/accessories/products/2022-usatf-competition-rules>

Type that code in the discount code box; see screenshot below for example

Note that the password is different from the one for the rest of the officials' store (which is Official2019).
