

Northern California/Northern Nevada Association of USA Track & Field

## Chair's Notes

Phil Leake, Chair

## **CHAIR'S NOTES**

These last couple of months have seen a large number of meets. Track and Field has been celebrated at the highest levels. Congratulations to all of the officials who were blessed to have participated in the CIF State meet, the USATF U20 Youth National Championships, The USATF Outdoor National Championships and the World Athletics World Championships. I bet a lot of you not only had fun officiating. I know of a large number of you travelled to Eugene just to watch and bear witness to America's best of the best run, jump and throw against the World's best track and field (Athletics) athletes. And I trust that you all got your share of Prince Puckler's Ice Cream and Tracktown Pizza. For a large number of officials who stayed home and watched on television, we were entertained with these great feats of athletics prowess.

At the end of last month, we (a large number of you) participated in officiating the 2022 Junior Olympics in Sacramento. Mother Nature cooperated with the weather in that the highs stayed under 100 degrees. Unfortunately, a lot of us performed double and triple duty. About 6000 athletes and 12000 entries made for a VERY BUSY meet. To your credit, your training and experience paid off. The Pacific Association Officials (who comprised the bulk of the officiating crew) along with officials from across the country performed admirably with few protests or incidents. As an example, last year in Jacksonville experienced heat, humidity, COVID testing, long waits in processing clerking, and a lack of officials. This resulted in 110-120 filed protests. This year, 11 protests. Our USATF Grassroots Director, Robin Beamon, called me at the end of the meet congratulating and complimenting all of the officials on running an efficient, impartial, well-run meet that was enjoyed by all of the athletes, coaches and parents. This high praise is due to you, the officials, your training, experience and most of all, your flexibility. This says a lot about the things we do every day here in the Pacific Association. You remain as some of the best trained officials of our sport in the country!

As the season closes, we have the Pacific Association Annual Meeting upcoming on Sunday August 28<sup>th</sup> at the UC Davis Football Stadium Alumni Room. There, we will remember the season and honor those officials who have shined. I look forward to seeing you there.

## **OFFICIALS ANNUAL MEETING AND AWARDS**

**8/28/22 at UCDavis!!! You won't want to miss this!!!!**

As we are getting close to closing out the 2022 Track and Field Season, it is important to remember and recognize those individuals who have been outstanding, shown leadership and have been most effective in their respective areas. These outstanding officials will be recognized and honored at the Annual Meeting at the end of August. The AWARDS COMMITTEE has actively solicited nominations for awards. The committee comprised of Awards Committee Chair Leon Glover, Officials Chair Phil Leake and Certification Chair Ajay Padgaonkar have conferred with all officials who have submitted nominations and have determined who will receive the Association Major Officials Awards, National Officials Certificates, Association Certificates and Apprentice Awards

The Major Officials Awards are:

The Officials Committee of the PA/USATF recognizes outstanding members—and friends of track and field—with five (5) major awards, normally presented at the officials' annual meeting. Along with the National USATF Officials Awardees, the year-by-year Pacific Association Officials Awardees are listed below.

***The Dick Connors Meritorious Service Award:*** Recipient must have ten (10) years' experience as a Track & Field Official AND must be certified as Masters level official with the USATF. This award is not required to be awarded every year.

***George Newlon Special Recognition Award:*** Recipient should normally have seven (7) years' experience as a Track & Field Official AND be certified as either National or Master level official with the USATF. This award is primarily for achievement in the area of Track event officiating. This award is not required to be awarded every year.

***Dick Barbour Special Recognition Award:*** Recipient should normally have seven (7) years' experience as a Track & Field Official AND be certified as either National or Master level official with the USATF. This award is primarily for achievement in the area of Field event officiating. This award is not required to be awarded every year.

***Horace Crow Special Recognition Award:*** Recipient should normally have seven (7) years' experience as a Track & Field Official AND be certified as either National or Master level official with the USATF. This award is primarily for achievement in the area of Field event officiating. This award is not required to be awarded every year.

***Lori & Sonny Maynard Special Recognition Award:*** Recipient must be a person involved, other than as a spectator, in Track & Field, LDR, or Race Walking in any capacity AND has exhibited exceptional dedication to the sport of Track & Field, LDR or Race Walking. This award is not required to be awarded every year.

In addition, awards are given out by the **Officials Chair**. The **Officials Chair Awards** recognize officials who have given above and beyond the call of service and have been identified regardless of their certification status.

New to Awards are the **Apprentice Awards** recognizing those Apprentice Officials who have displayed enthusiasm, developed expertise and have demonstrated during their training the qualities of a great official.

## **Pacific Association Officials Committee Annual Meeting**

Plan to attend our Pacific Association Officials Annual Meeting to be held once again at UC Davis on Sunday, August 28 from 10:00 am to 3:00 am at Aggie (football) Stadium in the Football Alumni Room. The highlight of this event will be the presentation of awards to our local officials for their exceptional service to track and field. Head Coach Ngonidzashe Makusha and the UC Davis track and field program will be hosting the meeting and a lunch as a “thank you” for your service as an official.

This year’s annual meeting will also double as a fundraising event to support the USATF Pacific Foundation. Last year, funds raised were used to provide training funds for outstanding track and field athletes in our region such as Robyn Stevens, US Olympian Race Walker and Pacific Association member. This year, the Foundation will give 6 training grants to elite athletes in the Pacific Association.

The cost to attend the annual meeting is \$20 and half of that amount is a tax-deductible contribution to the Foundation. (The other \$10 goes to defray the cost of holding the event, mostly for the awards that will be presented.) Everyone who registers for the meeting and to support the Foundation will be entered in, not one, but two raffles for prizes brought by your fellow officials and other special prizes. Additional tickets for the Foundation raffle are \$5 each. Prizes for the Foundation raffle include gift cards for airfare compliments of Southwest Airlines, clothing from this year’s World Championships.

For the regular raffle, please bring something that a well-equipped official can use!

We know that not everyone will be able to attend the Annual Meeting in person (but we hope you can!) because of time and distance limitations or because of concerns about COVID. Therefore, we will provide a Zoom link to the meeting if you register and indicate you will be attending remotely. AS with last year, for your own safety and that of others, please attend the meeting via Zoom if you are not fully vaccinated or not feeling well.

To make your reservation for the Annual Meeting, please send a check for \$20 per person payable to “PAUSATF” to our Vice Chair, John Lilygren at 9 Calypso Lane, San Carlos, CA 94070., by August 22. You are also encouraged to send an additional contribution of any amount for tickets (\$5 per ticket) to the Foundation raffle to John whether you attend the Annual Meeting in person or via Zoom. Make

that second check payable to the "USATF Pacific Foundation" and send to John L. Raffle tickets will also be sold at the meeting.

Please direct any questions about the Annual Meeting to John Lilygren at

John Lilygren at [jlilygren@gmail.com](mailto:jlilygren@gmail.com). Questions about the Foundation or the Foundation Raffle can be directed to John Shirey at [jshirey1@comcast.net](mailto:jshirey1@comcast.net). Don't delay! Make your reservation today to honor your fellow officials and to support the USATF Pacific Foundation on August 28!

## **Officials Calendar**

Please take a look at the Google Calendar located on the PAUSATF Officials page. This page is integrated with the overall PAUSATF continuous monthly calendar that includes ALL meets, races and events. **This has turned out to be a very successful venture.** I can't get over how well this project has been for coaches, athletes and anyone interested in track and field. AGAIN, BIG THANKS to Charles Murphy, Jim Manha, Cynci Calvin, John Lilygren. This group transitioned our old Excel Spreadsheet Calendar to Google Calendar with all meets color coded denoting the type and level of the meet. Meets are being added by most all meet directors and are specifically making all of their meet needs known. Now, you can see all of the meets happening in the Pacific Association on any given day. All the official needs to do is to click his cursor on the meet and all meet information is listed for the official to discern.

During this last spring, Jim worked with meet directors in helping obtain and coordinate information of their needs and to help disseminate those needs to the officiate for 2022 T+F Season. For the 2022 X-C and 2023 T+F Seasons, you will continue getting regular emails soliciting your help for meets which are underserved. Ultimately, this process will help meet managers cover their needs as well as to help provide officiating opportunities and possibly mentoring opportunities to those needing further training. Cross Country, LDR and RW seasons will soon be upon us, please look onto the Officials calendar and stay tuned!

**HS Calendar:** While the Officials Calendar lists the major HS invitationals and Championships, it is highly advised that interested officials consult [www.Athletic.net](http://www.Athletic.net) for an up-to-date calendar of all HS meets near you. Due to the sheer number of HS meets within CIF in Northern California (over 600), they could not be included on the PA Officials calendar. I highly encourage you to volunteer your assistance at your local high school. This only helps further promote the sport we all love.

# MEETS NEEDING OFFICIALS

From Jon Price Re: Race Walks

Today we found out that there will be only one race walk at the Pacific Association/USATF West Region Masters meet on Sunday, October 23, at Chabot College in Hayward. It will be the first race of the day, at 8:00 am. **Please let both Jim Manha (see his email below) and me know if you can make it that day.** Also, Jim's email indicates that race walk judges are needed for Bay Area Senior Games on Sunday, October 30, also at Chabot College. **Please let both Jim Manha (see his email below) and me know if you can make it that day.**

Also note that we can still use more help with the race walks on September 11.

**September 11 (Sunday): 10-kilometer + 20-kilometer Pacific Association Grand Prix Championship**, with likely shorter distances and power walk as well, William Pond Park, **Carmichael** (Sacramento area). Please check the Pacific Association website ([www.pausatf.org](http://www.pausatf.org)) for details.

**JUDGES** (7 needed, 6 Judges on the road course plus one Recorder):  
\_\_\_\_\_, Nicolle Goldman, Bob Hooper, Susan Mears, Beth Price, Jon Price, \_\_\_\_\_, Mark Green (if not racing).

UNCERTAIN: Jim Manha,

APPRENTICE JUDGES WELCOME to serve as Practice Judges or Shadow Judges: \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

DEFINITELY NO: Ajay Padgaonkar, Paula Mendell

**October 23 (Sunday):** USATF West Region/Pacific Association Masters Track & Field Championships, Chabot College, Hayward. This year they will have only one race walk, 1,500-meter race with combined women and men, beginning at 8:00 a.m., the first race of the day. Judges should arrive by 7:00 a.m.

JUDGES: Ajay Padgaonkar, (lead – bringing tally sheets, etc.), Enrique Henriquez, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

UNCERTAIN: Bob Hooper, Jim Manha

APPRENTICE JUDGES WELCOME to serve as Practice Judges or Shadow Judges: \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

DEFINITELY NO: Beth & Jon Price, Nicolle Goldman

**October 30 (Sunday)**: Bay Area Senior Games, Chabot College, Hayward. At this time, we don't know what distances will be competed or times of day. Some senior games have 1,500-meter, 3,000-meter, and 5,000-meter races, but these are often on different days.

JUDGES: \_\_\_\_\_ (lead – bringing tally sheets, etc.), \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_

## **CERTIFICATION**

From Ajay Padgaonkar, Certification Chair

### **BE VIGILANT ON MAINTAINING YOUR 3-WAY COMPLIANCE**

The recertification process for 2022 is near complete. Badges have been mailed out. If you have not gotten your badge or if there are omissions or errors on your badge, please send Ajay an email [certification@pacific.usatf.org](mailto:certification@pacific.usatf.org)

Until late 2024 and early 2025, when we go through the recertification process again, you only need to maintain "3-way" compliance to keep your certification current

- No rules reviews unless you are upgrading or the credential change requires it. 3-way compliant means the following:

1. USATF membership has not expired (For about 110 of you the membership expires in 10 days, please renew now!)
2. Safesport training has not expired (This applies to 12 of you, please correct ASAP, for 10 more of you, the training expires in 10 more days, please take urgent action)
3. NCSI background check has not expired (For 2 of you the background check expires in the next 10 days, if you have not already done so, please take urgent action)

These are all done through your USATF connect sport80 portal now, so remember your login and update your password if needed. If you run into any issues with the login or membership renewal, send an email to Jamero Rainey [jamrainey21@gmail.com](mailto:jamrainey21@gmail.com) at the USATF national office. If you run into any issues with Safesport or NCSI background check, send an email to Lexie Ping ([safesport@usatf.org](mailto:safesport@usatf.org)) of the USATF national office. Copy me on such emails so that I can help, if needed.

## **DO NOT LET YOUR CERTIFICATION CREDENTIALS LAPSE!**

***(This is what happened when officials were vetted for the Junior Olympics!)***

The USATF national office sends reminders about a month before the expiration date. Please look for it and take immediate action. Also, you may want to make a note for your own self of the expiration date so you don't let your credentials lapse. USATF will send out emails to those who have lapsed one or more of those 3 requirements or are about to.

Frequently asked information can be found on the USATF Officials page

<https://www.usatf.org/programs/officials/certification>

Keep your officiating record in the resume form on the pacific association website official's forms page: <https://www.pausatf.org/officials/formsinformation/>

It is the Excel spreadsheet under the link titled (attached for your convenience):

- **PAUSATF Officials' Meet Resume Form** (Excel sheet; downloadable; may fill in on a computer)

You will need this record for any upgrade applications, meets that require applications and in 3 years when we undergo the recertification.

Send me an email or call me at 408-890-1123 if you have any questions.

## **SAFESPORT**

USATF in cooperation with the Center for Safesport Training will notify you of your pending Safesport training update Typically, you will have this notice sent to you within 30 days of

expiration. PLEASE RENEW AND UPDATE your training ASAP in order to for your Officials Certification to remain 3 ways compliant. An example of this notice is as follows:

You are receiving this notice because your Refresher 1 SafeSport training is due to expire. You are due to renew this training by completing the Refresher 2 course ("Preventing Misconduct"). Please follow the below instructions to complete this training:

1. Log on to USATF Connect (*please note: if you have more than one account associated with your name, choose your personal account*).
2. Click "View" on your profile card under "Members".
3. Access the Center for SafeSport Training tab from the menu to the left.
4. Click the blue "Add Center for SafeSport Training" button in the upper right-hand corner of the page.
5. Find the Refresher 2 course ("Preventing Misconduct") from the list of available trainings. Add it to your account by clicking the blue "Add" button next to this training.
6. A new window will appear. Click "Add" for this training one last time.
7. A final window will appear. Click "Start Training" in the middle of this window to begin your course.

This training should take you 20-30 minutes to complete. Once you complete the training, your USATF Connect account will be updated to reflect your new training date. Please note that if you do not complete the required SafeSport training on or before the expiration date, you will not be considered USATF 3-Step SafeSport Compliant and you will no longer be eligible to serve in a role that requires SafeSport training (coach, official, volunteer, among others).

Thank you for helping to make USATF a safe environment in which our athletes can train and compete. Please direct any questions to [safesport@usatf.org](mailto:safesport@usatf.org).

USA Track & Field is committed to creating a culture that clearly advocates, and provides for, a safe environment in which our athletes compete and train. We believe this is paramount to the success of all our programs. All athletes deserve to participate in sports that are free from bullying, hazing, sexual misconduct or any form of emotional or physical abuse.

If you have a concern regarding the health and safety of our athletes, please make a report. For concerns of child sexual abuse, sexual misconduct, non-consensual sexual conduct, sexual harassment, or intimate relationships involving an imbalance of power, all individuals should report concerns to the U.S. Center for SafeSport [online](#) or by phone at 720-531-0340. Please notify USATF that a report(s) was made. All reports of child abuse or sexual assault of a minor must also be reported to local authorities. Reports of abuse not involving a minor may also be reported to local authorities.

For concerns of physical or emotional misconduct, bullying, harassment, hazing, or any other violation of [USATF's SafeSport Handbook](#), all individuals should report concerns to USATF [online](#) or by phone at 317-713-4688. Please note, neither criminal nor civil statutes of limitations apply to reporting a SafeSport complaint.

## Code of Ethics and Performance Guidelines

The USATF National Officials Committee publishes the [Code of Ethics and Performance Guidelines](#) for officials. Item number 11 of the Code of Ethics:

***Conduct an honest self-evaluation after each competition, to identify errors made and areas for improvement; and be receptive to suggestions for conducting events in the best possible manner in the future.***

The outdoor season is a perfect time to start using this improvement method. Take a few minutes and review what you could have done better. Everyone benefits.

## **New High School Rules Adopted**

The National Federation of State High School Associations (NFHS) has approved eight rule changes for the 2023 high school track and field and cross country seasons.

Two key changes were made to Rule 3-4-3, defining specific case book guidelines, and the introduction of Rule 9, which creates a new indoor track and field rules section.

The rules committee's changes to Rule 3-4-3 defined specific case book guidelines to offer consistency and guidance to meet referees when ruling on reruns. New to the rule are scenarios to assist referees in determining when a rerun is necessary and stipulations that must apply for a rerun to be considered.

Due to recent changes to outdoor track and field rules and the growth of high school indoor track and field across the country, the NFHS Rules Committee felt it was necessary to create a section specifically for indoor track and field rules.

# Best Practices for High School Disability (Para) Track and Field

By Carroll DeWeese

Across the USA, more high schools are providing opportunities for disability (para) athletes to participate in track and field. The United States Paralympic Committee has a nine-page "GUIDELINES – BEST PRACTICES for DISABILITY TRACK and FIELD" document you can read and download it [here](#).

Unless state high school associations have rules that are different, World Para Athletics Rules ultimately apply to any para-athlete 14 years of age or older on December 31 of the year of their competition. Any athlete 13 years of age or younger uses Adaptive Track & Field USA (ATFUSA) Rules for para track and field competition.

The guidelines address many of the questions about who is eligible to compete, what events are available for competition, advancement to state meets, and many other topics of concern.

Any high school official that may be working with para-athletes should download, read, and keep the guidelines document mentioned above as a reference for officiating para track and field at the high school level.

A quick reference comparison supplement of the rule changes and difference is annually compiled by Jim Hanley of the Southern Cal Assn.
