USATF Safe Sport Online Training Steps

1. Log in to [USATF Connect](#) using your email address and password.
 - a. **Note: If you have one or more accounts linked to your USATF Connect profile, please select your personal account.*
2. In the main box of the home page, you will see “Center for SafeSport Training.”
 - a. Click “Edit.”
3. Click on the blue “+ Access Core Training” button.
4. You will enter the SafeSport Training program where you will complete the training.
5. If the training freezes or you experience other difficulties while taking the training, please exit out of the training and try going back in. If the problem persists, enter a support ticket at <https://safesport.atlassian.net/servicedesk/customer/portal/4>.
6. Once you complete the training, you will be issued a PDF certificate. Please save this certificate for your records. Click the “X” button once you are finished.

The Core SafeSport Training will take roughly 90 minutes to complete and the Refresher courses will take roughly 20 minutes to complete. Your USATF Connect profile will be automatically updated after you complete your training.
