Date: January 10, 2023
Subject: Proposal for Youth Level 1 coaching classes discounts/rebates

Pursuant to the PAUSATF Youth Committee 11/9/22 proposal outlining options for investing a portion of the significant 2022 PAYC-sponsored track meet profits, below is a detailed proposal for creation of a Youth Level 1 Coaching Education Rebate/Discount program for 2023:

- 1) Open to all PAUSATF youth clubs in good standing
- 2) Provide a \$100 rebate/discount per youth club coach who attends Level 1 coaching education and completes course certification requirements
- 3) Any youth coach eligible for the rebate/discount must be 3-step compliant
- 4) Youth clubs that volunteered at a 2022 PAYC-sponsored track or cross country meet are eligible to receive rebates for up to two (2) coaches
- 5) Make available retroactively to any Level 1 coaching class and certifications completed since 11/1/22 (the beginning of the current 'membership year') to accommodate the early year Level 1 education schedule
- 6) Cap program at \$6,000 (60 rebates)

A program of this nature promotes earlier USATF membership registrations and increases the overall PAUSATF Youth coaching skill level, to the benefit of both the PAUSATF and Youth.

Respectfully submitted,

PAUSATF Youth Committee
