

2022 USATF Pacific Service Awards

Dennis Boyle

Dennis Boyle has served the Pacific Association for several decades as official and mentor. A master-level certified official, Dennis has tirelessly supported Officials training and mentorship. Dennis is known throughout northern California as a recruiter, supporter, and mentor of junior USATF officials. Dennis serves on the PA Officials Committee as Mentorship chair and has recently developed and implemented the first Regional Resource Coordinator system for officials in the Pacific Association. This mentorship and training program has helped recruit and retain new officials, coordinate mentorship, and helped ensure that the Pacific Association is nationally known for the highest quality officials in USATF.

Amanda Scotti

Amanda attended Clackamas Jr. College (1978 NJCAA Women's USA Track Champions) on track and journalism scholarships, and transferred to Auburn University where she worked closely with US Olympic Sprint Coach Mel Rosen while completing her education. Amanda has been a high school and junior high school track coach in Oregon, Alabama, and California, coaching several HS sprint champions including NFL Wide Receiver JJ Birden. Since discovering Masters Track in 2008, she has earned several Masters and Seniors US sprint championship titles. Amanda was elected to the USATF Masters Track & Field Executive Committee in 2016 and serves on the Masters Track & Field Marketing, Communications and Awards Committees. Amanda has also been the Publisher of National Masters News, the full-color magazine devoted to Masters T&F, since 2014. Recently, Amanda was instrumental in producing PA Masters T&F Championships and promoting the PA to invite and host the 2022 Western Regional Masters Championship.

2022 USATF Pacific Service Awards

(Continued from prior page)

Beth Price

Beth Price has been involved with the Pacific Association since 1995, first as a race walker and later as a certified official. Jon and Beth were advised to add umpiring to race walk judging, so they would be eligible to work USATF National Championships at the Youth, Masters, and Open levels. Demand at high school meets in Nevada encouraged them to be horizontal jump officials, and needs at Youth meets led them to become referees. They have developed many of the forms and training guides currently used nationwide for umpiring and race walk officiating. Beth has served for many years as the Race Walk liaison for the PA Youth Committee and Board of Athletics, and has served on the Awards Nomination Subcommittee of the USATF National Officials Committee.

Jon Price

Jon Price has been involved with the Pacific Association since 1995, first as a race walker and later as a certified official. Jon and Beth were advised to add umpiring to race walk judging, so they would be eligible to work USATF National Championships at the Youth, Masters, and Open levels. Demand at high school meets in Nevada encouraged them to be horizontal jump officials, and needs at Youth meets led them to become referees. They have developed many of the forms and training guides currently used nationwide for umpiring and race walk officiating. Jon served as chair of the Pacific Association Race Walk Committee for over a decade, and participated in National Race Walk Committee meetings at the USATF Annual Meeting. Jon also serves as Race Walk Officials Coordinator for meets in the Pacific Association, and has been on the PA Officials Committee as Race Walk representative.
