The years are listed newest to oldest; within each year, the races are listed as in the season.

2020 (Impacted by COVID-19)

#AloneTogether COVID-19 VIRTUAL Event Rules:

- Be SAFE and comply with all federal, state, and local directives and guidance regarding safety related to the Coronavirus COVID-19 global pandemic. Depending where you live, such guidance may include frequency/duration/location of outdoor activities, or the wearing of face coverings.
- Outdoors: Use a certified course or 400-meter track, or measure a new course with GPS. Indoors: Use the Distance reading on a treadmill or your personal GPS set to measure "Indoor" distance.
- Walk ALONE or with members of your own household, keeping at least 6 feet of social distancing from other people at all times.
- Keep your own time and count your own laps.
- Use the honor system (and your imagination) to keep track of judges' warnings, red cards, penalty time, and umpiring infractions.
- Athletes who live outside the Pacific Association are eligible to participate and receive prizes.
- Prizes (California- and Nevada-shaped rock pins) will be awarded at the first race that can be conducted with a physical presence, to the top three females, top three males, and top three age-graded athletes in each of the contested virtual race walk events. Winners must be present to receive their prizes; if a winning athlete is not present, the prize will be given to the next athlete in that category.
