

Instructions for Retrieving SafeSport Certificates

1. Go to <https://safesporttrained.org/#/public-dashboard>
2. Click on "login" at the upper right corner.
3. If this is the first time you are doing it, you may be required to create a new password.
4. You may need to use the exact email address as your sport80 (USATF connect) profile but the password can be different.
 - a. As always use a password that is strong but something you can remember or use the Chrome password save feature.

- Click on the course for which you want the certificate, then on the right side you will see a way to get the certificate (again my example below):

The screenshot displays the 'SafeSport Trained - Sport 80' curriculum page. The header includes the course title and 'Curriculum' with navigation icons. Below the header, there is a 'Course Content' section with a video player showing a woman hugging a child, with '90 MINUTES' and 'SAFESPORT TRAINED CORE' text. To the right, a 'Completed' status shows '1/1 Courses' and a '100%' progress indicator. A 'Certificate' section is circled in red, featuring a certificate icon and the text 'SafeSport Trained +'. Below this is a 'Resources' section. At the bottom, the 'Course Content' list shows 'Group 1' with a checkmark and '1 of 1 Courses', and 'SafeSport Trained - NSB' with a checkmark and 'Completed' status.
